Safer Places for Women and Girls

This venue is accredited to **Safer Places for Women and Girls Charter**.

Committed to tackling violence against women and girls, we pledge our commitment to women's safety making this venue a safer place to visit.

The Staffordshire and Stoke-on-Trent multi-agency Violence Reduction Alliance (VRA) believes that harassment and violence in any form is unacceptable. It is committed to creating safer public spaces for all, and particularly for women and girls, along with others who might find themselves vulnerable when using such spaces.
